# Bulletproof Faith

## A Spiritual Survival Guide for Gay and Lesbian Christians

by

Candace Chellew-Hodge

*“Gay and lesbian Christians are constantly demoralized and told they are not children of God. In *Bulletproof Faith*, Chellew-Hodge reassures gays and lesbians that God loves them just as they were created and teaches them how to stand strong, with compassion and gentleness, against those who condemn them.”*

—Archbishop Emeritus Desmond Tutu

**BULLETPROOF FAITH** is a thoughtful, practical guide that shows GLBT readers and their parents a way through the minefield of condemnation and persecution faced by gay, lesbian, bisexual, and transgender Christians and helps foster a faith that is bulletproof—impervious to attacks, yet loving and savvy in its approach.

Readers are empowered to withstand even the most aggressive assaults without fear, doubt, or anger by receiving:

- \* A useful working knowledge of biblical history
- \* Solid, proven tactics that can be used successfully when faced with an attack
- \* Spiritual practices (such as meditation and prayer) that enhance and strengthen faith
- \* Practical tools to discover one's “authentic self”: the bulletproof part of each of us
- \* Guidance on how to turn attacks into opportunities for spiritual growth

*Bulletproof Faith* is filled with useful insights and proven spiritual practices that deflect attacks and enhance and strengthen faith by turning attacks into opportunities for spiritual growth.
